

3 Nights/4 Days Road Package..... An Adventure of a lifetime!

Day 1: MASAI MARA

This morning at **7:00am**, you drive west of Nairobi to the world's greatest game spectacle - the **Masai Mara Game Reserve**. The Mara, as it is known in Kenya is one of the most

preferred destinations. The reason is perhaps it is because of its **'big skies'**, the open savannahs, the **masai people** who over the course of time forged out a symbiotic relationship with the wildlife, the romance of films like **'Out of Africa'** and certainly because of the yearly wildebeest migration, the concentration of game including the 'big five', **the diversity of birdlife** and the excellent opportunity of taking a **hot air balloon ride!**

The **great migration** happens here annually between **July** and **October** where unimaginable numbers of

wildebeest, zebra and gazelles sweeps into the Masai Mara from the Tanzania's Serengeti in search of pasture. They pour across the border into the Mara, making a stunning entrance in a surging column of life that stretches from horizon to horizon. At the Mara river which is brimming with hippos and crocodiles the herds gather at the banks, piling together in front of the fast flowing waters and as the pressure built the herds finally surge into the river, many animals hurling themselves off high banks. As they struggle across the river many are drowned or swept away by strong currents while others are killed by the crocodiles. You arrive into the land of the great African savannah plains at the luxurious lodge where you enjoy a delicious lunch followed by some time to relax and settle down with a refreshing shower. This afternoon, you depart on a game drive and return to your Lodge just before dusk for Dinner and overnight (**Full Board**)

Day 2: MASAI MARA

elephant, lion and many other species of wildlife may be seen today as the African sun awakens the savannah to a day of activity. Luck may even get you to witness a kill in action as the predators search for breakfast. After an active morning, return back to the lodge for a delicious breakfast followed by time out to relax for the rest of the morning by the blue waters of the pool or relax in your comfortable accommodation. After a delicious lunch you depart for the evening game drive for more action of Gods

own world. This afternoon you also visit the **Masai village**.

The Masai people are popularly known for their colored ornaments made of beads and are arguably Africa's most populous tribe. They have reputation as fierce warriors and a

community with a colorful lifestyle. They are nomadic pastoralist and their life revolves around their large herds of cattle. According to their tradition, they believe that all cattle belong to them and are traditionally known to be fierce cattle raiders. Cattle are sign of wealth in the community and are traditionally used to pay dowry during weddings. The Masai are the only people whose culture is still alive.
