

2 Nights/3 Days Road Package..... Evocative Lifestyle!

Day 1: SERENA MOUNTAIN LODGE

This morning you depart for our tree hotel set at the base of Mount Kenya. We drive north of Nairobi through the beautiful Pineapple plantations and its lovely coffee

trees into the Green White Highlands. The tree hotel is ringed by a dense rain forest, which comes alive at dusk with a myriad of sounds of creatures all sizes. Constantly towering the scene are the majestic rocky peaks of Mount Kenya, providing some dramatic photographic opportunities. Rest of the day at leisure. Enjoy game viewing throughout the evening and at night where you may see elephant, buffalo, rhino and waterbuck. A specially constructed viewing

bunker at the lodge, connected by a short tunnel, offers spectacular views of wildlife at the **waterhole**. **(Full Board)**

Day 2: SWEETWATERS GAME SANCTUARY

This morning you are transferred back to the Outspan where you will meet your driver. Today you travel to the exotic **Sweetwaters Game Reserve**, now "OI Pejeta

Conservancy" a 90,000 acre private ranch between the foot hills of the Aberdares and the magnificent snowcapped Mount Kenya. The combination of amazing wildlife and stunning views across the open plains guarantees an **unforgettable safari experience!**

Sweetwaters Tented Camp set in the pristine calm of the private OI Pejeta Conservancy offers a charming blend of under-canvas ambiance and safari luxury.

Its popular **waterhole is floodlit by night**, providing excellent game viewing including the big five. The reserve comprises extensive savannah grasslands and the riverine forests that border the Ewaso Nyiro River. Sweetwaters excels in private game viewing and is Mt Kenya region's best kept secret. Game rides on **horseback** or perched **atop camels** within the sanctuary is a unique experience. You will spend the entire day exploring the ranch.

In the afternoon visit the **Sweetwaters Chimpanzee Sanctuary**, a 200 acre was opened in 1993 in a negotiated agreement between the OI Pejeta Conservancy, the Kenya Wildlife Service and the Jane Goodall Institute. The facility was initially established to receive and provide **life-long refuge** to orphaned and abused chimpanzees from west and central Africa. An initial group of three chimpanzee orphans were brought to the sanctuary from a facility in Bujumbura, Burundi in 1993. This group of chimpanzees needed to

be evacuated due to the outbreak of civil war in Burundi. A gentle and charming diversion for children and adults alike, it offers visitors the unique opportunity of taking a boat ride on the Ewaso Nyiro River, which flows through the centre of the sanctuary where 26 orphaned chimps enjoy the peace and harmony of their natural environment. The sanctuary is open daily from **9:00am** to **10:30am** and **3:00pm** to **4:30pm**. Dinner and overnight at **Sweetwater's Tented Camp (Full Board)**
